## CREATE A WINNING CONCEPT FOR YOUR VIDEO

My business:
My industry is:
Key competitors is my industry, and what videos they create:
My target audience is (gender, age, location, income level, etc.):
<b>_</b>
Leelle
I sell:
A video will help me with:
1
2
3
4.
5
I want the video to be (choose one): Informative only / Funny / Emotional / Scary
The problem I'm solving with my product / service is:
My solution is:

Video will go on (choose one) website/landing page / social media / YouTube

## Creating a concept:

- 1. The message of the video is (i.e. people with back pain need a solution, and this is the perfect one)
- 2. Opening will be a joke / a scary moment / an emotional event, that will speak directly to my target audience that has a specific problem. That will get the viewer's attention, and will open a door to explain about my solution.
- 3. During the video I'll give the following information about my service / product:

4.	My closing will be a call to action (i.e. visit a store / give us a call / go to our website):
 5.	I want the video to show (office, clinic, products, client testimonials, other):
	<del></del>
6.	I want to have (choose one): Me as the face of company / host / clients / models / titles and/or voice over only
7.	Comments or other things to consider:
	<del></del>
